

# Hurricane Preparation 2011

# Inter-local Agreement

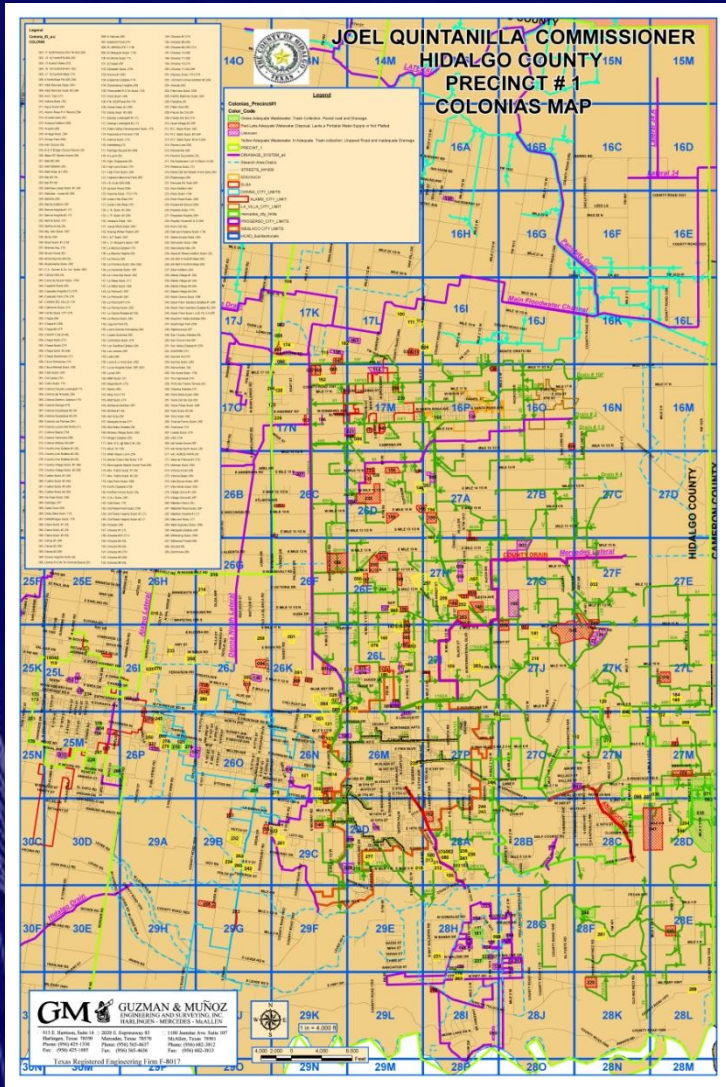

A recently executed Inter-local/ right of entry Agreement between  
Hidalgo County  
Precinct 1 and Hidalgo Cameron County Irrigation District #9 allows  
Hidalgo County  
Precinct 1 to identify areas where drainage improvements can be  
made in the estimated  
260.2 miles of drainage ditches located within Hidalgo County  
Precinct 1

**“Continued Excellence through Teamwork”**

# Phase 1: H.C.PCT1

## Goals:

Identify location of existing drainage systems by location and ditch number that directly affects our communities in Hidalgo County Precinct 1

Identify location of colonias in references to the existing drainage system by grid number

Coordinate with local municipalities within Precinct 1 to identify crucial drainage issues

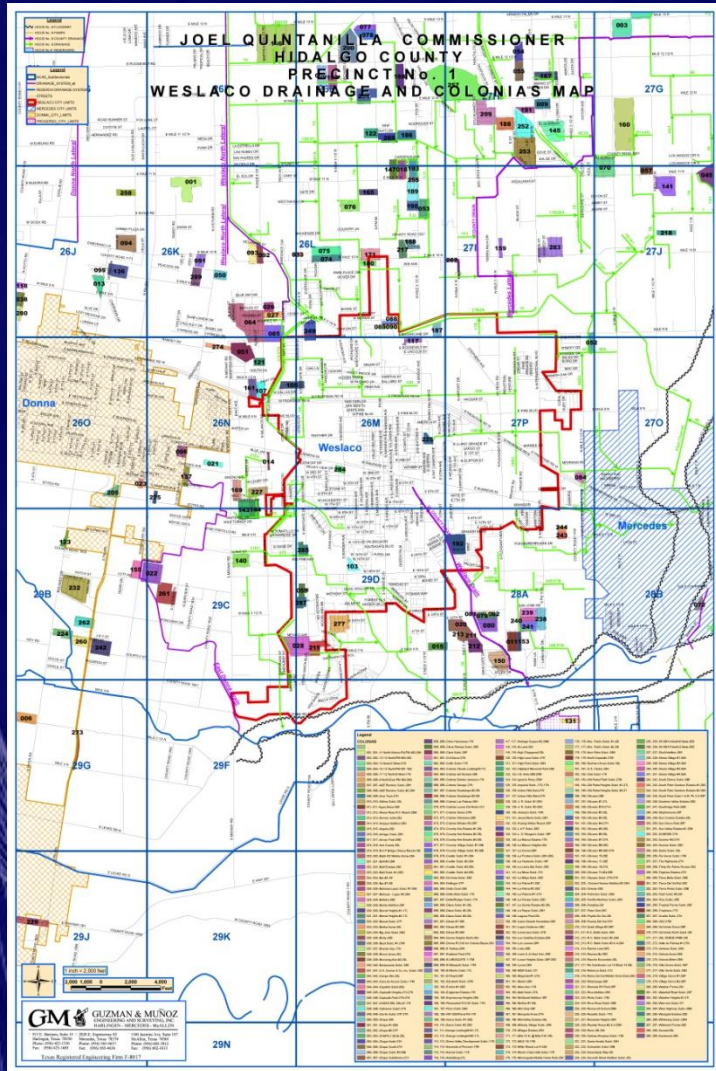

Coordinate work plan identifying crucial drainage projects utilizing H.C.PCT 1 equipment and man power.

“Continued Excellence through Teamwork”

# Weslaco Drainage and Colonias Map

G.I.S. mapping and identification of Colonias have been developed by grid system to assist in identifying proposed drainage improvement within the City of Weslaco

Hidalgo County Precinct 1 will work in conjunction with the City of Weslaco to develop a work plan where the City of Weslaco can identify drainage improvements utilizing Hidalgo County Precinct 1 drainage staff and equipment as well as sanitation and road and bridge equipment and staff that may be needed to identify and complete drainage projects.

“Continued Excellence through Teamwork”

# Proposed Work Shop

Hidalgo County Precinct 1 is requesting a workshop with the City of Weslaco to achieve the following:

- Review existing G.I.S. Data for the City of Weslaco identifying the existing drainage system and colonias that may need assistance with drainage and flooding issues.
- Evaluate and prioritize urgent drainage projects that have been identified by the City of Weslaco.
- Identify projects where the City of Weslaco may need assistance utilizing equipment and man power from Hidalgo County Precinct 1.
